

# How Much Should I Give?

## Turning Point 2017 at Peoples Church

Historically, pledging provides almost 90% of the Peoples Church operating income. The individual amount of pledging to church is a personal decision for each of us, but we ask that you give as generously as you can. The two tables below are provided to help you determine how much you will pledge for the 2017.

If you pledged to Peoples Church in 2016, the following table shows how much a 25% increase would be for some common pledge levels.

### Peoples Church 2017 Giving Goal\*

2016 <b>Monthly</b> Pledge	2016 <b>Annual</b> Pledge	2017 <b>Monthly</b> Pledge Goal: (incl. 25% Increase)	2017 <b>Annual</b> Pledge Goal: (incl. 25% Increase)
