# THE VOICE

Peoples Church Unitarian Universalist MAY 2019

Spring is here and I could not be more delighted! The yellow and red tulips opening in my garden are a warm, welcome sight.

Last fall, when I planted the tulip bulbs, I was thinking to myself, "by the time these tulips bloom it will be just about the time for Casey and me to welcome our new baby."

Casey is due May 19<sup>th</sup> and we could not be more excited to welcome our daughter to the world. We feel ready, but I know

we are in for some surprises and have a lot to learn. I am endlessly curious about what the whole experience will be like.

And I know you have questions too! Are you curious about how my life transition will impact the church? Well, here is everything I know so far:

- When the baby is born, I will be taking 6 weeks of parental leave. I will not be checking email or voice mail during this time as I take care of my family and new baby.
- David Wise has graciously agreed to be on call for pastoral care emergencies while I am gone. You can contact him at the church (319-362-9827 or dre@peoplesuu.org)
- In addition, our Paraministers will be on call as usual. Please check their schedule here in the Voice and in the eWeekly and call them as needed.
- Sunday morning worship services are covered for the

duration of my leave time, and boy are you in for a treat! We have some fabulous preachers lined up! Here is the schedule:

- o May 19: David Wise
- May 26: Kathleen Mavity
- o June 2: Rev. Diane Dowgiert (minister of the UU Society of Iowa City)
- o June 9: Emma Peterson (minister of Cedar Valley UUs in Cedar Falls)

I have no

special talent. I

am just

**passionately** 

curious.

-Albert Einstein

- o June 16: Charles Crawley (president of the Inter Religious Council of Linn County)
- o June 23: Rev. Jay Wolin (minister of the UU Congregation of the Quad Cities)
- o June 30: Andrea Hawkins-Kamper (ministerial intern at the UU Congregation of the Quad Cities)
- When my six weeks of parental leave is up, it will be right around the beginning of July and the start of my annual 4 weeks of Study Leave. During the month of July, I will be working from home, reading, studying, and preparing for the 2019-2020 church year.
- Our talented Worship Associate Team will be hosting worship services in July. They have some wonderful, wild ideas that you will be sure to enjoy!

With a grateful heart, I look forward to seeing you over the next few weeks and then again in August.

In faith,

Rev. Rebecca

# MAY 5 | 11AM SERVICE: THE GREATEST UNITARIAN SERMON EVER PREACHED & NEW MEMBER SUNDAY

Exactly 200 years ago on this date, William Ellery Channing preached what has come to be known as The Baltimore Sermon, the greatest Unitarian sermon ever preached. What was Channing so passionate about and how does his message speak to us today? Service led by Rev. Rebecca.

Music: Joan Jacob Greeters: RC Eichacker

#### MAY 12 | 11AM SERVICE: FLOWER CEREMONY SUNDAY

Spring is bursting forth all around us! Come celebrate beauty, life, and community as we share in our annual Flower Ceremony. Please bring a flower to the service with you! Service led by Rev. Rebecca.

**Music:** Deb Hunemuller and Pete Kies **Greeters:** Bob Butikofer

#### MAY 19 | 11AM SERVICE: CURIOSITY IN OUR DAILY LIVING

It is said that "curiosity is the most important thing you own." If that is true how can we best use curiosity to our advantage in our daily living? Service led by David Wise.

**Music:** Peoples Choir **Greeters:** Sheryl Ochs

#### MAY 26 | 11AM SERVICE: AREN'T YOU CURIOUS?

Have you ever wondered whether curiosity could be a tool for spiritual growth? Whether, by choosing curiosity over judgment, we could better connect with others and begin to heal the divisions of our world? Come explore the possibilities. Service led by Kathleen Mavity.

Music: Deborah Dakin Greeters: TBD

Have you ever been curious about something?
Perhaps what was going to happen next on a
television show? Maybe where your next
adventure was going to take you? Perhaps you
were curious what college was going to be like?
Perhaps you wondered what you might learn
when your parents drug you to church as a child?
Perhaps you wondered what you might learn
when you drug your parents to church?

We all have curiosities about people and situations in our lives. We do not know all the answers, and even with the internet and what it is becoming, we still don't have answers to everything! The children of Peoples are curious as well! They are curious about the songs we sing, the readings we hear, the prayers that are lifted up, and the sermons that are preached. The kids in Faith Formation love to ask questions and get their curiosity fix!

It is hard to imagine that we are approaching the end of the Faith Formation year! The children have learned about the Principles, the history of Peoples, how the board operates, why music is important, and what the pastor does. They are always asking questions and seeking answers!

Just like we want them to be doing!!

The first year of the new format for Faith Formation and Worship has gone extremely well! There have been a few hiccups. That is normal. Anytime we have radical change there are going to a few bumps! But they have been minimal. The kids have really benefited from, and enjoyed, being in worship. They have enjoyed helping in worship as well. As we continue this journey I hope to see more children in class and more children helping in the leading of worship!

I know there are adults who are curious as well and I know there are adults who are looking for ways to help at Peoples. Have you considered teaching a class? Talk to me and we can chat about what teaching entails and how you can help your own curiosity as well as the curiosity of the children of Peoples!

David

#### **Kathleen Mavity, Board President**

I love this line from Semisonic's Closing Time: "Every new beginning comes from some other beginning's end."

My year as Board President is coming to an end, and I can honestly say it was a very, very satisfying experience. Of course, that was due in large part to having great people to work with: Rebecca Hinds, Geoff Johnson, Jude Johnson, Kathy Juba, Gary McGraw, Mike Meshak, and David Miessler-Kubanek.

One of the most satisfying elements is seeing how everything we've done so far as part of our developmental ministry all hangs together. For example, by addressing governance (DM goal #1), we're clarifying how we can more effectively address communication, finances, membership, and involvement in the broader community (goals 2 - 5).

Another source of great satisfaction is the feeling that we're in a whole new emotional space these days. There were some serious challenges in the recent past – the move from downtown, interpersonal conflicts, and so forth – and it feels like these are in the past. I've spoken with numerous Peoples people who say we've turned a corner; we're focused on the future and what works, not on the past and what doesn't work.

I'm happy to have had some part in that. Thanks for the opportunity.

# 3 ways we need your help RIGHT NOW!

## 1. Provide names & addresses

Have you thought of a Peoples friend or former member who would like to join in our celebration weekend?

Please share their name and address with us. We don't want anyone left out!

Please submit information to the office at office@peoplesuu.org or place in the Operations Coordinator mailbox.

#### 2. Help Build Our Story!

To help tell our 150-year story, will you share YOUR Peoples stories?

We're looking for a paragraph or two describing your favorite \*wow\* experience in Peoples Church. Help tell our history through your eyes as we assemble Y/Our Story!

The results will be shared in *the eWeekly* and *The Voice* in the run-up to the big event. All these special remembrances will also become a book available to congregants and friends.

Please submit your stories to the office at office@peoplesuu.org or place in the Operations Coordinator mailbox.

#### 3. Request for Photos!

Do you have photos of Peoples People doing interesting things at church events, or of items relevant to PCUU history? Archives Committee has begun an enormous project to digitize all the photographs that have accumulated in the Archive Room, and put them into a searchable resource.

If you have actual, physical photographs, you can leave them in the ARCHIVES COM-MITTEE mailbox. Digital photographs may be sent to bevphilpott@gmail.com who will forward them to the committee. Whatever you provide should also include a "who, what, when, where, why?" explanation, or as much information as you can provide. (Do NOT write on the backs of actual photographs, it shows through the scanning!) Let us know if you want the photo(s) back.

# Social Justice

The project to provide land for gardening to our African immigrant neighbors program progresses. St Marks, our neighboring church will be building raised garden beds. Once these are built planting will begin along the side of the church between the parking lot and Gordon Ave. Our neighbors will be planting such items as white eggplant, beans, squash, tomatoes, and lenga-lenga. Lenga-lenga is a crop native to their African countries that is a main part of their diet. It is not familiar to westerners. **We are looking for donations of rain barrels.** We have also offered the neighbors the opportunity to pick some of our onions, kale, and rhubarb. Our neighbors will be doing all of their own gardening and will only need from us our land, support, and goodwill. Questions about this project can be directed to <a href="marcia.swift@gmail.com">marcia.swift@gmail.com</a>.

Lu Wilcox has set up a signup.com account for us for volunteering to help our African neighbors through the St Marks Ministry program. <u>Email Lu here</u> to be invited to join. Signing up does not commit you to anything. Once the program is underway we can use signup.com to determine when a volunteer is needed and you decide if you can help that day.

Contact your congressional representatives in support of HR6, the "American Dream & Promise Act." This bill will allow Dreamers and immigrants who have been protected due to war or natural disasters in their home countries to apply for permanent legal status in the US.

SJC will meet on Sunday, May 5 at 12:15 in the Ely Room.
